VIENNA, April 15, 2026 /PRNewswire/ - KuCoin EU, the MiCAR-licensed digital asset platform headquartered in Vienna, today participated in a Master Stage panel at Paris Blockchain Week 2026, one of Europe's leading digital asset and Web3 industry events.

Sabina Liu, Managing Director of KuCoin EU, joined senior industry leaders to discuss the 2026 digital asset market outlook. Hosted by Nine Blocks Capital Co-Founder Henri Arslanian, the panel also featured senior representatives from Fidelity Investments, Stellar, N3xt and Movantis.

Key insights from the panel included that:

KuCoin EU Managing Director Sabina Liu said: "We are seeing a clear shift toward digital-native financial services, where users are not just looking to trade crypto, but to manage and grow their wealth within a single platform. Platforms that can integrate digital assets, real-world assets, and payments will evolve into financial super apps, becoming a key distribution layer for the next generation of financial products."

Paris Blockchain Week 2026 is a two-day institutional conference focused on the intersection of traditional finance and digital assets. Scheduled for April 15-16 at the Carrousel du Louvre, it brings together industry leaders, policymakers, investors, and builders to discuss how blockchain is being integrated into global financial systems.
