COMUNICATO STAMPA - CONTENUTO PROMOZIONALE

Quality transformation drives compliance and operational efficiency

BARCELONA, Spain, May 11, 2026 /PRNewswire/ - Veeva Systems (NYSE: VEEV) today announced that Smith+Nephew is unifying quality management with Veeva Quality Cloud. The global medical technology company is building a strategic foundation to drive its quality transformation.

"As an integrated quality ecosystem, Veeva Quality Cloud will be central to maintaining our strong compliance profile with global health authorities," said Michelle Blevins, vice president, quality systems and regulatory compliance at Smith+Nephew. "A unified technology platform improves collaboration across our internal teams and with external partners while enabling automation and data analytics for faster decision-making."

Smith+Nephew will leverage Veeva QualityDocs as a single source to manage quality controlled content and Veeva QMS to centralize processes, align operations globally, and collaborate efficiently. The company will also use Veeva Training to streamline access to more than 500,000 annual trainings, ensuring job and audit readiness.

"We're proud to support Smith+Nephew to reach more patients and execute efficiently by delivering scalable, end-to-end quality management with Veeva Quality Cloud," said Vishaka Rajaram, senior director of quality strategy at Veeva MedTech. "Quality transformation will help fuel growth and advance innovation at Smith+Nephew."

Veeva Quality Cloud for MedTech unifies quality processes, streamlines compliance, and drives collaboration to reduce cycle time and maximize efficiency.
