COMUNICATO STAMPA â?? CONTENUTO PROMOZIONALE

LUGANO, Switzerland, Nov. 20, 2026 /PRNewswire/ â?? In 2026, BE OPEN Art online gallery is running a competition within its multi-annual Art Limitless programme dedicated to SDG#12 of the UNâ??s Sustainable Development Goals. The programme was tailored specifically to run competitions, display webinars, master-classes and other sources of knowledge and guidance to support sustainable art-making, artists and inclusivity in art.

SDG#12 aims to change how goods are produced and consumed to promote resource efficiency, and transition to a circular economy. The creative sector plays an immense role in this by leading the way with ideas of sustainable creation, waste reduction, and public awareness and inspiration.

To put such artists and their creations into the spotlight, BE OPEN Art is posting selected artwork at the online gallery every month, inviting the public to vote and select the Artist of the Month. One of these will become the winner based on the appraisal of the international volunteer expert jury who will define the fate of the 1000 euro grant:

Founder of BE OPEN international philanthropist Elena Baturina: â??We are thrilled to have assembled such an extraordinary and diverse panel, and are deeply grateful for the time and expertise the jury are willing to share with our contestants and the wide public. For BE OPEN, supporting sustainable artists means providing new perspectives and visions of and for the society. We hope that the competition will empower them to continue merging creative and environmental action, turning their art into powerful and shared human experience and inspiration for all of us.â?•

The Art Limitless programme launched in 2025, with the first year dedicated to inclusivity in arts. The gallery highlighted artwork by artists with disabilities that demonstrated the beneficial power of creativity and inclusivity.
