Safe Harbor

Certain statements in this release, including those concerning our future events, future growth prospects, our future financial or operating performance and our offerings and collaborations, are â??forward looking statementsâ?• intended to qualify for the â??safe harborâ?? under the Private Securities Litigation Reform Act of 1995. Such forward-looking statements are based on our current expectations, assumptions, estimates and projections about the Company, our industry, economic conditions in the markets in which we operate, and certain other matters. These forward-looking statements are subject to substantial known and unknown risks, uncertainties and other factors, that could cause actual results or outcomes to differ materially from those implied by such forward-looking statements. Important factors that may cause actual results or outcomes to differ from those implied by the forward-looking statements include, but are not limited to, risks and uncertainties regarding the execution of our business strategy, increased competition for talent, our ability to attract and retain personnel, increase in wages, investments to reskill our employees, our ability to effectively implement a hybrid work model, economic uncertainties and geo-political situations, technological disruptions and innovations such as artificial intelligence, the complex and evolving regulatory landscape including immigration regulation changes, particularly in the United States, our Environmental, Social, Governance (â??ESGâ?•) vision, our capital allocation policy and expectations concerning our market position, future operations, margins, profitability, liquidity and capital resources, our corporate actions including acquisitions, cybersecurity matters, the outcome of pending litigation and the US government investigation, and the effect of current and future tariffs. These and additional factors that may cause actual results or outcomes to differ from those implied by the forward-looking statements are discussed in more detail in our US Securities and Exchange Commission filings including our Annual Report on Form 20-F for the fiscal year ended March 31, 2026. These filings are available at https://www.sec.gov/. In light of these and other uncertainties, you should not conclude that the results or outcomes referred to in any of the forward-looking statements will be achieved. Infosys may, from time to time, make additional written and oral forward-looking statements, including statements contained in the Companyâ??s filings with the Securities and Exchange Commission and our reports to shareholders. The Company does not undertake to update any forward-looking statements that may be made from time to time by or on behalf of the Company unless it is required by law.
