

JIMMY Launches Matrix Series: The Countertop RO Water Purifier that Does Hot, Cold, Sparkling, and Ice â?? Building Your Home Bar

Descrizione

COMUNICATO STAMPA â?? CONTENUTO PROMOZIONALE

BERLIN, June 15, 2026 /PRNewswire/ â?? Just in time for the hot summer season, JIMMY today announces the European launch of the Matrix Series â?? a countertop RO (Reverse Osmosis) water purifier M9 Pro with detachable modules: the S9 cold sparkling water maker and the I9 ice maker & crusher. JIMMY Matrix elevates this summer with a hydration experience of purity, icy refreshment, and delight.

The design philosophy transcends basic hydration by integrating the core purification system with versatile add-ons, creating a dedicated â??Home Barâ?? experience. Building on JIMMYâ??s signature zero-plumbing heritage, the Matrix M9 Pro host retains plug-and-play freedom, ready to use anywhere without professional setup.

Pure mineral water, smarter footprint. The 7-stage RO filtration system, featuring a 0.0001-micron membrane and UV sterilization, removes 99.9% of contaminants including heavy metals, bacteria, and PFAS. Post-filtration remineralization delivers a premium spring-water taste while saving 3,500+ single-use plastic bottles per unit annually. Real-time TDS monitoring and filter-life tracking provide daily peace of mind.

Hydration, redefined and expanded. The core host delivers instant hot water with precise temperature and volume options â?? ideal for baby formula, tea, or coffee. With JIMMY AquaLink technology and the integrated slide-out drawer, attaching the S9 or I9 modules is effortless â?? unlocking cold sparkling water, touch-free ice cubes, and crushed ice without countertop clutter, unleashing ultimate icy refreshment this summer.

Lifestyle elevation at heart. This modular-integrated system, combined with sparkling and ice add-ons, lets users build their ideal DIY drink station â?? pure hot water for family essentials (tea, coffee, baby

formula) or party-ready sparkling and ice for social gatherings – all in one system, clutter-free. Together with the R9 family, the Matrix series completes JIMMY’s water purifier lineup, delivering scenario-intelligent solutions for every lifestyle and reinforcing the brand’s commitment to healthy, joyful living.

JIMMY Matrix series are available on Amazon (DE/FR/ES), jimmy.eu, jimmyitalia.it, jimmy.bg, eMAG, Allegro etc.

About JIMMY

JIMMY is a tech-driven brand under KingClean Electric Co., Ltd., with over 32 years of expertise in developing and manufacturing small home appliances.
