COMUNICATO STAMPA - CONTENUTO PROMOZIONALE

Fans worldwide can watch the Mainstage and Freedom Stage live across both festival weekends

PROVIDENCIALES, Turks and Caicos Islands, July 16, 2026 /PRNewswire/ - KuCoin, a leading global crypto platform built on trust, today announced that the official livestream of Tomorrowland Belgium 2026 will be available directly on the KuCoin App, giving audiences worldwide access to live performances from one of the world's most iconic electronic music festivals.

As Tomorrowland's Official Exclusive Crypto Exchange and Crypto Payments Partner, KuCoin will stream performances from both the Mainstage and Freedom Stage across all six festival days on July 17-19 and July 24-26. The livestream will feature some of the biggest names in electronic music, including David Guetta, Martin Garrix, Calvin Harris, Hardwell, Armin van Buuren, Alok, Sebastian Ingrosso, The Chainsmokers, and many more.

Users can access the official livestream through the dedicated Tomorrowland page on the KuCoin App.

The livestream schedule is as follows, with all times listed in UTC:

"Tomorrowland brings people together through music, creativity and shared experiences," said BC Wong, CEO of KuCoin. "By bringing the official livestream to the KuCoin App, we are making that experience accessible to our global community, wherever they are. This is another meaningful step in our partnership and a reflection of how trusted technology can create stronger connections between people and culture."

The livestream is part of KuCoin's multi-year partnership with Tomorrowland, which also includes the debut of the Celestia Stage, the return of the KuCoin Guardians, and special activations celebrating KuCoin's ninth anniversary on July 24. Together, these experiences reflect the shared vision of KuCoin and Tomorrowland to bring people together through music, innovation and meaningful connections.

By bringing the official Tomorrowland Belgium 2026 livestream to the KuCoin App, KuCoin is making one of the world's most iconic music festivals more accessible to its global community. Whether attending the festival in person or watching from anywhere in the world, fans can come together to experience the music, creativity and energy that define Tomorrowland.

About KuCoin

Founded in 2017, KuCoin is a leading global crypto platform trusted by over 40 million users across 200+ countries and regions. The platform delivers innovative and compliant digital-asset services, offering access to 1,000+ listed tokens, spot and futures trading, institutional wealth management, and a Web3 wallet. KuCoin does not provide services in the European Economic Area (EEA). In the EEA*, KuCoin EU is operated by KuCoin EU Exchange GmbH. Headquartered in Vienna, KuCoin EU operates in accordance with the applicable EU regulatory framework, including MiCAR requirements around transparency, market integrity, and investor protection. KuCoin EU is not the operator of a crypto-asset trading platform and does not provide investment advice.

About Tomorrowland

Founded 20 years ago by Belgian brothers Manu and Michiel Beers, Tomorrowland remains a family-owned business driven by a creative and passionate team. Over the years, Tomorrowland has evolved into a global entertainment brand.

The WEAREONE.world group consists of several business units, including Festival & Events, Music, Experiences, Leisure, Products and Fiction. Today, more than 350 team members create magic from the company's headquarters in Antwerp, Belgium, as well as local offices in Brazil, France, Ibiza and Thailand.

Known for bringing people together through music, creativity and storytelling, Tomorrowland has become one of the world's most recognized and influential festival brands, inspiring millions through unforgettable experiences and a shared vision of connection.
