TOKYO, Aug. 3, 2026 /PRNewswire/ â?? The Tokyo Festival Executive Committee has announced the second edition of Autumn Meteorite Tokyo, taking place from October 9 to November 3, 2026, and centered around the Tokyo Metropolitan Theatre.

Under the artistic direction of acclaimed playwright and director Toshiki Okada (chelfitsch), who has served as Artistic Director of Performing Arts at the Tokyo Metropolitan Theatre since fiscal 2026, the festival aims to create new works, promote international exchange, and foster the next generation of performing arts professionals.

Visitors can experience diverse works of performing arts from Japan and abroad, non-performance programs including workshops and symposiums, and â??Hello and Welcomeâ?• initiatives ensuring accessibility and inclusivity.

Following last yearâ??s edition, the festival aims to create opportunities for audiences to experience the â??here and nowâ?• of the performing arts scenes, making the programs more accessible, fostering personal connection and discovery of various realities, and opening new perspectives to reconsider the world.
