COMUNICATO STAMPA â?? CONTENUTO PROMOZIONALE

ST. HELIER, Jersey and LONDON, Oct. 1, 2026 /PRNewswire/ â?? Petrus has noted the press and sell-side coverage of SNP over recent months, in particular the expectation set out in that coverage that a court would value the SNP share at not less than EUR 140 in the appraisal proceedings on the basis of the KPMG Financial Factbook, and considers a statement warranted given the extent of that coverage.

Petrus is pursuing two applications in Delaware under 28 U.S.C. Â§ 1782 for the production of documents held by Cognizant Technology Solutions Corp. (No. 1:26-cv-00924-CFC) and The Carlyle Group Inc. (No. 1:26-cv-00719-CFC), for use in various German proceedings. Petrus considers neither as an adversary; both are holders of relevant documents.

The filings in those proceedings are public, and Petrus does not resile from them.
