

Quantinuum to Participate in the Bernstein 23rd Annual Pan-European Strategic Decisions Conference

Descrizione

COMUNICATO STAMPA - CONTENUTO PROMOZIONALE

BROOMFIELD, Colo., Sept. 4, 2026 /PRNewswire/ - Quantinuum Inc. (NASDAQ: QNT) (the "Company"), a leading quantum computing company, today announced that members of its management team will participate in the Bernstein 23rd Annual Pan-European Strategic Decisions Conference, taking place September 9-10, 2026, in London, United Kingdom.

Quantinuum will participate in a fireside chat and host one-on-one meetings with investors during the conference.

About Quantinuum

Quantinuum is a leading quantum computing company offering a full-stack platform designed to make quantum computing deployable in real-world environments. The company has commercially deployed multiple generations of trapped-ion based quantum systems built on the well-established QCCD architecture, which it has implemented with novel designs and capabilities to achieve the industry's highest accuracy levels based on average two-qubit gate fidelity. Quantinuum has active engagements with market leaders across pharmaceuticals, material science, financial services, and government and industrial markets, as well as academic and research institutions globally.

The company has a global workforce of approximately 800 employees, including top scientists and researchers. Over 70% of its technology team holds PhDs or Master's degrees. Quantinuum's headquarters is in Broomfield, Colorado, with additional facilities across the United States, United Kingdom, Germany, Japan, Qatar, and Singapore.
