COMUNICATO STAMPA â?? CONTENUTO PROMOZIONALE

Frankfurt, 11th of March 2026 â?? Swedish regulated crypto asset manager Virtune today announced the listing of the Virtune Stellar ETP on Deutsche BÃ¶rse Xetra.

Virtune is a Swedish digital asset manager and issuer of physically backed crypto exchange-traded products (ETPs). Since its launch in 2023, Virtune has earned the trust of over 160,000 investors and today manages around USD 270 million in assets under management (AUM), reinforcing its position as one of Europeâ??s leading issuers of regulated crypto ETPs.

Virtune is now expanding its product offering in Germany with the listing of the Virtune Stellar ETP.

This listing underscores Virtuneâ??s commitment to providing European investors with secure, transparent, and regulated access to the digital asset market. Coinbase acts as the crypto custodian for all Virtune ETPs, offering institutional-grade security, with the underlying crypto assets held in cold storage.

Christopher Kock, CEO of Virtune:
â??We are pleased to expand our product range on Deutsche Boerse Xetra with the Virtune Stellar ETP and continue strengthening our presence in the German market. With this launch, Virtune now offers eleven products in Germany, reflecting our ongoing commitment to broadening regulated digital asset investment opportunities for European investors.â?•
