The Glow of a Bride Reimagined

The W in W. LUNABELLA is a profound nod to Wedding, encapsulating CEO Yumi's unwavering vision: to extend the coveted, flawless complexion once exclusive to brides to every woman, regardless of her journey, who deeply desires radiant, healthy skin. As a veteran makeup artist and the revered founder of Jeju's premier wedding brand Muto, Yumi embarked on a meticulous seven-year journey to develop LUNABELLA, ensuring superior skin health as the bedrock for flawless, long-lasting makeup adhesion.

Revolutionizing Skincare with Reverse Skincare Philosophy

The Parisian flagship will proudly introduce LUNABELLA's signature Reverse Skincare methodology. This innovative regimen is set to captivate those who demand unparalleled efficacy, crave the purity of natural ingredients, and trust in a scientifically-backed methodology for skin health. Leveraging pristine, potent ingredients sourced from Jeju Island such as horse oil and Ecklonia cava and fortified by proprietary Activity Probiotics fermentation technology, this approach advocates applying nutrient-rich creams first. This scientifically-backed sequence deeply nourishes the skin barrier, cultivating a resilient, vibrant complexion from within.

An Immersive Journey: Beauty, Fashion, and K-Culture

W. LUNABELLA promises an unparalleled, immersive experience, a magnet for global connoisseurs of beauty, luxury, and cultural depth. Patrons will indulge in personalized beauty consultations, premium dress curation, and professional styling sessions. Beyond beauty, the hub will host exclusive K-Culture programs, including captivating Hanbok exhibitions and enriching beauty workshops, inviting visitors to delve into the rich cultural tapestry of Korea through authentic beauty rituals and haute couture. During its grand launch, a special collaboration with The Goeun Hanbok will convene global influencers, celebrating the seamless intersection of Parisian elegance and Korean innovation.
