COMUNICATO STAMPA – CONTENUTO PROMOZIONALE

HAMBURG, Germany, June 4, 2026 /PRNewswire/ – ELEGOO, a rapidly developing brand in global smart manufacturing, is proud to announce an exciting partnership with the emoji® brand – bringing together two powerful symbols of creativity, fun, and self-expression.

The collaboration was brokered by emoji company's UK licensing agent, Big Picture Licensing, whose support helped bring together two globally recognized brands driven by innovation, creativity, and emotional connection.

ELEGOO has remained committed to making creation more accessible through intuitive 3D printing technology that transforms imagination into reality.

At the center of this collaboration is ELEGOO's flagship consumer printer, the Centauri Carbon 2 Combo – an iconic product designed to make high-quality 3D printing simple, intuitive, and enjoyable for everyone.

Introducing the first-ever emoji® brand themed 3D printer

ELEGOO – emoji® brand Centauri Carbon 2 Combo

This special edition features:

Together, ELEGOO and the emoji® brand are redefining creative expression – making it more emotional, personal, and tangible than ever before.

As the campaign slogan says: •Your Vibe, Now in 3D.â•

Everything that feels like you, can now become something you can see, hold, create, and share.

When one emoji® brand icon meets another icon, the result is more than a product collaboration – it becomes a celebration of joy, individuality, and multicultural creativity.

Executive Quotes

“The emoji® brand has always represented emotions and connection, while ELEGOO stands for empowering creativity through technology,” said Kevin Wang, VP of ELEGOO. “This partnership reflects our shared belief that self expression should be joyful, simple, and accessible to everyone. We’re excited to bring that spirit into the world of 3D printing and help users turn feelings into something real.”

Marco Hsiao, CEO and Founder of the emoji company, said: “We’re incredibly excited to partner with ELEGOO on the very first collaboration between the emoji® brand and a 3D printing brand. Together, we’re bringing digital self-expression into the physical world in a fun, creative, and completely new way.

This partnership highlights how 3D printing is evolving beyond traditional maker spaces and becoming part of everyday lifestyle technology – inspiring people to create, personalize, and express themselves like never before.

With the ELEGOO x emoji® Centauri Carbon 2 Combo, creativity becomes something you can truly see, hold, and share with the world.”
