COMUNICATO STAMPA - CONTENUTO PROMOZIONALE

BOUCHERVILLE, QC, March 25, 2026 /PRNewswire/ - Intersand Canada Inc. Group (Intersand), a company specializing in the manufacture of high-performance cat litters, notably the OdourLock® and OdourBuster® brands, is proud to announce that it has achieved B Corp® certification. This distinction, among the most recognized and rigorous in environmental, social, and governance (ESG) performance, confirms Intersand's deep commitment to an innovative business model focused on transparency, social responsibility, and the continuous improvement of its ESG impact.

"I am extremely proud that we have achieved B Corp® certification. It confirms the strength of our values and our business model, while recognizing our leadership role in our industry. This distinction confirms that our growth is inseparable from a sustainable future for generations to come," says Stéphanie Chevigny, President.

The B Corp evaluation process is based on a comprehensive analysis of the company's practices, including governance, employee and community relations, environmental impacts, responsible management, and transparency toward customers.

This certification notably highlights:

B Corp Certification: A Commitment That Transforms the Way We Operate

To achieve this recognition, Intersand implemented concrete initiatives such as reducing raw materials and chemical components, eco-designing its packaging, repurposing its waste, using 100% carbon-neutral electricity, audited carbon assessments, responsible sourcing, diversity policies, health and safety programs, as well as strengthened and transparent governance.

This announcement reinforces the company's ambition: to design high-performance products that improve cats' quality of life while reducing the environmental footprint of the pet care industry. Intersand remains committed to pursuing more sustainable growth, grounded in innovation,

collaboration, transparency, and responsibility.
