COMUNICATO STAMPA - CONTENUTO PROMOZIONALE

With broad industry success and the availability of Veeva AI, Vault CRM is the leader in agentic CRM for life sciences

PLEASANTON, Calif., March 3, 2026 /PRNewswire/ - Veeva Systems (NYSE: VEEV) today announced that more than 125 customers - from multiple top 20 biopharmas to companies across all major regions including the U.S., Europe and Japan - are now live on Veeva Vault CRM, the next generation of CRM for life sciences. With the success of Vault CRM and the availability of Veeva AI, Veeva is accelerating the industry's move to agentic CRM.

The strong momentum behind Vault CRM reflects the clear business value of its deep industry and regional functionality, compliance, workflows, and agents. Vault CRM provides the foundation commercial and medical teams require to support the full product lifecycle and complex customer engagements, from initial market preparation and launches to optimizing the performance of mature brands.

"More than 125 customers are already live with Vault CRM and on the fast path to agentic customer engagement," said Arno Sosna, president, CRM Suite, Veeva. "We're expanding that impact across the industry as we lead with a focus on customer success and product excellence."

With the success of Vault CRM and a well-established upgrade path, Veeva has updated the end-of-support date for Veeva CRM from September 2030 to the end of December 2029.

Vault CRM is part of the Vault CRM Suite of applications that provide the technology foundation for commercial execution for biopharma companies of all sizes in all regions. Vault CRM Suite also includes Events Management, Service Center, Campaign Manager, and Patient CRM.

About Veeva Systems Veeva delivers the industry cloud for life sciences with software, data, and business consulting. Committed to innovation, product excellence, and customer success, Veeva

serves more than 1,500 customers, ranging from the world's largest biopharmaceutical companies to emerging biotechs.
