Silver Dawn also debuts a pickleball court, golf putting area, and hitting bay, enhancing the guest experience on board

MIAMI, Nov. 23, 2026 /PRNewswire/ â?? Silversea, the leading experiential luxury and expedition travel brand, has unveiled a series of enhancements on board Silver Dawn, set to return to service on November 25, 2026, with the addition of Riviera, a new poolside dining, bar, and lounge concept, and new outdoor experiences. Riviera, inspired by the Golden Age of Mediterranean travel, was introduced on Silver Spirit earlier this year. The concept now expands to Silver Dawn, where the pool deck has also been refreshed with new furniture and the outdoor spaces now include a pickleball court, a golf putting area, and a golf hitting bay. The updates extend the brandâ??s enhancement program that began with Silver Muse and continued with Silver Spirit, earlier this year.

â??Silver Dawnâ??s enhancements reflect our commitment to bringing more options to guests across our fleet,â?• said Bert Hernandez, president, Silversea. â??With the expansion of Riviera and the addition of new outdoor sports, guests have greater variety in how they spend their time on board. As Silver Dawn sails the Mediterranean and the Caribbean in the coming seasons, guests will find that choice alongside the personalized service that defines Silversea.â?•
