TD Global Investment Solutions will become TD Asset Management, simplifying how clients engage with the firm globally

TORONTO, Nov. 2, 2026 /PRNewswire/ â?? TD Global Investment Solutions will now operate under the TD Asset Management (TDAM) name, creating one consistent global brand across the firmâ??s institutional and retail asset management businesses. Additionally, Epoch Investment Partners, Inc. (TD Epoch) has changed its name to TD Asset Management (US) Inc. (TDAM US). Both TD Asset Management Inc. and TDAM US will offer their products and services under the TDAM name. The change applies across all markets and jurisdictions, bringing TDAMâ??s asset management capabilities together under one global brand.

â??Our unified brand creates a clearer market presence and a more consistent experience for our clients around the world,â?• says David Sykes, Chief Executive Officer, TDAM and Executive Vice President, TD Bank Group. â??By bringing our capabilities under one name, we can make it easier for clients to understand and access the breadth of investment expertise we offer.â?•

A simpler, more connected experience for clients

These changes do not affect TDAMâ??s investment approach. Investment teams, portfolio managers, investment philosophies, and service teams remain unchanged.

â??Our focus at TDAM has always been to put our clients at the centre of everything we do. That commitment is reflected in how we innovate, pursue investment excellence and build strong relationships to tailor solutions that aim to deliver better outcomes and help clients achieve their investment goals,â?• says Sykes.
