COMUNICATO STAMPA â?? CONTENUTO PROMOZIONALE

Frankfurt, 29 October 2026 â?? Swedish regulated crypto asset manager Virtune today announced the listing of the Virtune Staked NEAR ETP on Deutsche BÃ¶rse Xetra.

Virtune is a Swedish digital asset manager and issuer of physically backed crypto exchange-traded products (ETPs). Since its launch in 2023, Virtune has earned the trust of over 160,000 investors and today manages around USD 340 million in assets under management (AUM), reinforcing its position as one of Europeâ??s leading issuers of regulated crypto ETPs.

Virtune is now expanding its German offering with the listing of the Virtune Staked NEAR ETP. The product is now available to German investors through brokers and banks such as Scalable Capital, Smartbroker, Finanzen.net ZERO, and Comdirect.

About Virtune Staked NEAR ETP:Virtune Staked NEAR ETP is a physically backed Exchange Traded Product (ETP) that seamlessly combines exposure to NEAR with the benefits of staking. With staking incorporated, this ETP enables investors to generate additional yield on their NEAR investment. This is made possible through a transparent and physically backed structure with institutional-grade security.
