COMUNICATO STAMPA - CONTENUTO PROMOZIONALE

Frankfurt, 29th of January 2026 - Swedish regulated crypto asset manager Virtune today announced the listing of the Virtune Sui ETP on Deutsche Börse Xetra, becoming the first Sui ETP available on Xetra.

Virtune is a Swedish digital asset manager and issuer of physically backed crypto exchange-traded products (ETPs). Since its launch in 2023, Virtune has earned the trust of over 152,000 investors and today manages around USD 340 million in assets under management (AUM), reinforcing its position as one of Europe's leading issuers of regulated crypto ETPs.

Virtune is now expanding its German offering with the listing of the Virtune Sui ETP. The product is now also available to Swedish investors through brokers and banks such as Avanza and Montrose.

This listing underscores Virtune's commitment to providing European investors with secure, transparent, and regulated access to the digital asset market. Coinbase acts as the crypto custodian for all Virtune ETPs, offering institutional-grade security, with the underlying crypto assets held in cold storage.

Christopher Kock, CEO of Virtune:

"We are very pleased to introduce the first Sui ETP on Xetra and further strengthen our presence in the German market. This launch marks our ninth product in Germany and underlines our continued commitment to expanding regulated digital asset investment opportunities for European investors."
